

## LOOKING FOR A JOB OR CAREER?

**SHiFT is an online job matching tool that helps you connect with companies who understand the value of a diverse workforce, including employees with disabilities.**

**SHiFT is a free online job matching tool that:**

- Simplifies the job search process for people with disabilities.
- Connects you with businesses who are actively seeking your skills and abilities.
- Uses 15 relevant criteria to match your workplace skills and preferences with compatible job descriptions.
- Provides valuable job search resources to guide you through the interview process.

**Ready to get started? Create your profile today!**

**SHiFT.disabilityin-gkc.org**

1	Complete your profile with your work history, abilities and skills.
2	Complete a list of criteria to describe your workplace needs.
3	Explore job openings that match your profile. You choose those positions that you are interested in and meet the requirements for and employers will review and if appropriate they will initiate contact with you for the next step in the hiring process.

**SHiFT** is powered by GKCBLN - advancing disability inclusion by providing the business community with the tools, resources and solutions that drive employee hiring, engagement and performance.
